The Pueblo Rangers Soccer Club is a registered 501(c)(3) non-profit organization

Thank you and remember “Once a Ranger, always a Ranger!”

The mission of the Pueblo Ranger Soccer Club is to provide access to locally run competitive, developmental and recreational soccer programs with multiple age and skill levels in the Southern Colorado region. In addition to providing access to a high-quality soccer program for all kids, the organization hopes to instill in the players the ideals of fair play, respect for themselves and others. We hope to engage other groups who have similar interests to help soccer grow in Pueblo at all levels. Finally, we must always remember that we are in this for the kids.

Established in 1982, the Pueblo Rangers Soccer Club was founded by a group of individuals who had a dream of developing soccer in Pueblo to be competitive with others across the state and nation. From 1982 to 1995, the small competitive organization games were played on the local high school fields. In 1993, an official presentation of \$10,000 was made to the City of Pueblo from the Pueblo Rangers organization for the development of a local soccer complex and in 1996 four fields were completed at what is now known as Langoni Fields. To this day, the club home matches are played at this complex. However, in July 2017, the Pueblo Rangers Board of Directors purchased 28 acres on Pueblo's West Side

with the future plans of Pueblo's first state of the art soccer complex, complete with administrative offices for the club, numerous quality outdoor fields and an indoor soccer facility.

Starting with the one competitive team in 1982, the Pueblo Rangers organization has grown to offer numerous competitive soccer teams in each age division from U9-U10 Intermediate to U12-U19 Competitive. In addition to the competitive and intermediate soccer side of the organization, in 2004 at the request of local soccer players, we added a recreational soccer program for ages 3-12. Shortly after, we pioneered the concept of Recreational Middle School soccer for grades 6th through 8th. This middle school league resulted in the addition of 20 middle school teams from Pueblo and surrounding communities. Additionally, in 2016, we adopted the TOPSoccer program. TOPSoccer is a nationwide program for children with special needs. It is funded by the Pueblo Rangers and your sponsorship money. TOPSoccer provides a real soccer experience for those children who would otherwise not be able to participate in standard soccer programs. When all is said and done, the Pueblo Rangers Soccer Club provides a quality soccer experience, through its many programs, to over 1500 of Pueblo's youth athletes.

We sincerely appreciate the businesses within our community that contribute to our mission at a variety of levels. Over the years, our club has served the needs of thousands of youth soccer players and families. We take an active part in promoting our club sponsors to our membership and within the community. Our social media outlets engage much of our local and state-wide youth players and families. Beginning in 2021, the club will begin publishing monthly newsletters, to be distributed via email and social media, showcasing club accomplishments, club announcements, sponsor exposure and more. Through our sponsorship program, depending on the level of exposure you choose, your company could potentially be seen by tens of thousands of people over the course of a year through our various programs.

The costs associated with providing the highest quality soccer program to Pueblo and its surrounding communities unfortunately cannot be met with registration fees alone. We rely on our great community partners to help us meet and exceed the expectations of the young athletes in our community. Please take a look at our sponsorship opportunities and see what best fits your organization.
